**DRAPER & ASSOCIATES AWARDED
GSA FEDERAL SUPPLY SCHEDULE CONTRACT**

Atlanta, Ga., Draper & Associates, and Atlanta based consulting and management firm, announced today that it has received a five-year contract with the General Services Administration for inclusion on the Federal Supply Schedule. This contract gives U.S. Federal agencies, including the Corps of Engineers and the Office of Veteran Affairs, the ability to purchase Draper's services in a streamlined manner at established negotiated rates. Draper & Associates is a proven source for litigation support, scheduling, budgeting and construction project management support, including extensive experience on GSA and Corps of Engineers projects, as well as projects for state and local governments. Draper's GSA Contract number is GS-10F-0435X under the Professional Engineering Services Schedule, SIN No. 871-7-Construction Management, and is one of only a few small businesses awarded this contract in GSA's Southeast Sunbelt Region.

Under the GSA Schedule Program, long-term government-wide contracts with commercial firms are established to provide access to more than four million commercial services and products that can be ordered directly from GSA Schedule contractors or through the GSA Advantage![®] online shopping and ordering system. The ease of ordering attained through this contract provides immediate availability of Draper's professionals experienced in litigation support, construction technical services and business management solutions.

Gary Draper, President and CEO of Draper & Associates, commented, "We are very pleased to receive this award which will enable us to offer government customers a streamlined and efficient way to purchase our construction management-related services. As one of the only small-businesses awarded this contract in the Atlanta region, Draper & Associates is uniquely positioned to provide our services to buyers at all levels

in government agencies. This contract affords us the opportunity to build upon our past successes on both large and small projects.”

The Draper & Associates Team is committed to providing government clients with superior customer service and fair pricing. Federal clients can benefit from Draper’s more than 40 years of experience and expertise by utilizing our professionals in our Atlanta headquarters and our three satellite office locations:

- Fort Lauderdale
- Savannah
- Birmingham
